

I am overjoyed to confirm your booking with me.

As we embark on this journey together, I will begin with a powerful and enlightening general overview reading. This initial step serves to establish a deep connection between the tarot cards and your unique energy, opening the gateway to a profound understanding of your innermost self.

By laying the groundwork in this way, we can explore the vast landscape of your spiritual journey with greater clarity and insight. This overview reading also provides an opportunity to identify any aspects of your life that may require further exploration or attention.

As we progress, I will be here to guide you through the process and help you connect with the wisdom of the cards. You will have the chance to ask any questions that you may have and receive the guidance you need to make the best decisions for your life.

Together, we will tap into the ancient wisdom of the tarot, unlocking its secrets to reveal the path to your truest and most authentic self. This is your time to shine, and I am honoured to be a part of your journey towards greater self-discovery and inner peace.
